Re: PQ REF 9302/23 "To ask the Minister for Health if a building inspection has been carried out on the proposed site in CHO3 for the first adult dual diagnosis team; the reason this was carried out; and if he will make a statement on the matter"

Dear Deputy Ward

Inisgile in Parteen is the HSE site that has been identified as the base for the new Dual Diagnosis Team in the Mid-West. At the request of Mid-West Community Healthcare Mental Health Services, HSE Estates in Mid-West Community Healthcare, commissioned an Engineer's Report on Inisgile in Dec 2022.

The reason for commissioning the report was to establish the scope of the works required to upgrade, refurbish and reconfigure the building to make it fit for purpose for clinical and administration space for the Dual Diagnosis team. Mental Health Services in the Mid-West look forward to establishing this team and our aim is to ensure a comfortable safe and welcoming environment for service users and staff.
