Deputy Emer Higgins

Dear Deputy Higgins,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm that the Primary Care Centre in Clondalkin is programmed to be delivered in Quarter 3 of 2023.

There will be two blocks in the New Primary Care Centre, Block A & Block B. Block A will comprise of Primary Care for Adult & Children’s Physiotherapy, Occupational Therapy, Speech and Language Therapy and Public Health Nursing Services. Block B will comprise of Enhanced Community Care (ECC), Integrated Care for Older Persons and Integrated Care Programme for the prevention and management of Chronic Disease (ICPOP & CDM), Immunisation Team and a Network Disability Team.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

Yours sincerely,

Gillian Farrelly
