**To ask the Minister for Health the status of the Freestyle Libre 2 application for HSE reimbursement through the national framework application process; when it will be added to the CGM devices available; and if he will make a statement on the matter. - Maurice Quinlivan**

Dear Deputy Quinlivan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question (Reference 1451/23), which you submitted to the Minister for Health for response.

FreeStyle Libre 2 sensors are currently undergoing formal pricing and reimbursement in line with the Health (Pricing and Supply of Medical Goods) Act 2013. The application remains under consideration with the HSE. The HSE cannot make any comment on possible outcomes from the ongoing process.

Yours sincerely,
