PQ 1757/23 - To ask the Minister for Health the total annual number of acute hospital, medical and surgical, emergency and elective, and day-case, discharges overall and per hospital consultant in each of the six groups over the past three years; and if he will make a statement on the matter.

Dear Deputy Smith,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary question, which you submitted to the Minister for Health for response.

I attach in response,

Tab 1 which sets out the total number of inpatient and day case activity by specialty for each Hospital Group.

Tab 2 which sets out the number of inpatient discharges for emergency and elective care, by Hospital Group, and the number of day case discharges by Hospital Group for the past three years. Please note the information is not available by Hospital Consultant.

Please also refer to the footnotes in the attachments.

I trust this is of assistance to you.

Yours sincerely,

Jacqueline McNulty
