PQ 1786/23 To ask the Minister for Health when nursing home facilities can make additional applications to the HSE pandemic bonus scheme on behalf of former employees who are no longer employed at a facility. - Robert Troy

Dear Deputy,

I refer to your recent Parliamentary Question which was sent to the HSE for response.

As per the PSRP Guidelines issued to Employers, "Non-HSE and non-Section 38 employers are required to submit a claim for eligible employees entitled to receive the PSRP. Employer claims should include current employees and former employees not included as part of any other employer claim."

KOSI has been receiving and processing second claims and claim amendments from the beginning of the project for current and former employees of eligible employers/organisations.

I trust this clarifies and is of some assistance.

Yours sincerely,
