PQ 1953/23*To ask the Minister for Health the number of emergency capital works projects completed and the costs associated in 2022; and if he will make a statement on the matter. -Alan Dillon

Dear Deputy Dillon,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

I would confirm that one emergency capital project providing additional capacity at an existing hospital site was completed in 2022, as detailed below:

Hospital	Project Description	Cost
St Ita's Hospital, Portrane	42 Isolation Beds completed in 2022	€852,000 (Ex VAT)

By way of additional context, further to discussion with your office, I understand that it may also be helpful to provide details of projects funded by capital and completed on acute hospital sites in 2022. In this regard please find attached an addendum detailing relevant capital projects (each with an individual project cost greater than €0.5m) which have reached completion in 2022.

Yours sincerely,

Paul de Freine
National Director,
Capital & Estates
