Deputy David Cullinane
Dáil Eireann
Leinster House
Dublin 2

PQ 2602/23

To ask the Minister for Health the average patient experience time to admission via an emergency department for all patients, State-wide and for each location for the full year of 2019 and for each month. The average for patients aged under 75 and 75 plus, State-wide and for each location. The number of patients who attended and were admitted below the average; the number waiting longer than the average in tabular form; and if he will make a statement on the matter.

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Questions, which you submitted to the Minister for Health for response.

I attach the requested data with regard to the average patient experience time (PET) to admission via an emergency department for patients aged under and over 75 years, as requested.

Please also refer to the footnotes in the attached data.

I trust this response is helpful.

Yours sincerely,

Jacqueline McNulty
