Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Patient Experience Time (PET) reporting aligns with HSE key performance indicators/targets. These targets are within time and age bands respectively. This information is published by the HSE Business Intelligence Unit and is used to manage and drive performance improvement.

PET targets are monitored and reported in context of time bands and age bands as follows:

Time Bands

- 6 Hours
- 9 Hours

- 24
- Gre
- not
- gre
- incl
- and
- wa

Age Bands

- All attendances irrespective of age
- Those aged 75 years and over

In this regard, I can provide the information for all admissions and those aged >75 years in the attached templates.

Please also refer to the footnotes in the attachments.

I trust this response is helpful.

Yours sincerely,
