**Re: Parliamentary Question – 3247/23**

**To ask the Minister for Health the number of young adults (18-25 years) who are on the waiting list for respite services in County Longford**

Dear Deputy Clarke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and I outline the position as follows.

There are eleven adults between the ages of 18-25 years awaiting community respite from Longford.

I trust the above is in order and please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

---
