PQ Question: To ask the Minister for Health further to Parliamentary Question No. 1645 of 18 January 2023, if he will provide a breakdown of the number of staff assigned to each CHO by an organisation (details supplied); and the service-level agreements in place with regards to same-day admissions by the organisation, in tabular form. -Pa Daly

Details Supplied: *Allied Admissions – Previous PQ 1962/23*

Dear Deputy Daly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

As per my response to your Parliamentary Question **1962/23**, Servisource Healthcare Limited, trading as Allied Admissions, provide the assisted admission service on behalf of the HSE. Allied Admissions is a specialist division of Servisource Healthcare and provides a specialised patient transport service for the removal or return of an individual to an Approved Centre in accordance with the Mental Health Act, 2001.

The HSE is not at liberty to disclose the specific detail of the SLA as this is a commercial contract. However, I wish to advise that the service is periodically reviewed as per the service arrangement contract in place. This contract is procured in accordance with the procurement legislation regarding the spending of public funds.
