David Cullinane T.D.

14th February, 2023

PQ 4553/23 To ask the Minister for Health the number of times that the Health Service Executive sanctioned, suspended, terminated, or otherwise reprimanded a manager, employing body, or member of staff for workplace bullying in each of the years 2019 to 2022. -David Cullinane

Dear Deputy,

I refer to your recent Parliamentary Question which was sent to the HSE for response.

The process in relation to bullying issues are initially filed locally. The management of these is the responsibility of line managers and the details are not collated centrally.

In the event of the matter/complaint being escalated to investigation levels, this is managed by an Investigation Commissioner who is at local service area level and supported by the National Investigations Unit, when requested.

I have to advise the Deputy that the Information requested as per the request above is not collated and verified centrally and as such is not available.

Yours sincerely,

Marie O'Sullivan
