PQ Question: To ask the Minister for Health the amount of funding that has been allocated to the early intervention psychosis national clinical programme in the HSE for developing three new early intervention in psychosis teams in 2023, as per Sharing the Vision in Budget 2023. -Mark Ward

Dear Deputy Ward,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Currently the HSE is not in a position to respond to this question regarding the allocation of funding for 2023, as the National Service Plan is not yet finalised.

I trust this information is of assistance to you.

Yours sincerely,

Dr Amir Niazi
