**PQ ref 34967/23**

**"To ask the Minister for Health for an update on plans for a primary care centre in Mayfield, County Cork; and if he will make a statement on the matter."**

Dear Deputy O'Sullivan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Following a process where submissions were requested from Developers for the development of a Primary Care Centre in the Mayfield area, a preferred solution was identified and Successful/Unsuccessful letter issued to all Developers that submitted proposals in October 2022. Subsequently, one of the unsuccessful Developers has queried aspects of the review completed of the proposals and wrote to HSE requesting further information and a review of the process. Following this review, the Developer has received further correspondence responding to the queries they have raised. The Developer has confirmed receipt of the response and is currently reviewing this response with their technical/legal advisors.

If I can be of any further assistance, please do not hesitate to contact me.

Yours sincerely,

---

**Michael Moriarty**  
Acting Head of Service - Primary Care,  
Cork Kerry Community Healthcare
