Dear Deputy Kehoe,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm that we are currently seeking quotes to commence any required repairs under our Health & Safety regulations to Donard Health Centre. We will endeavour to provide a weekly GP service once the building is fit for purpose.

Unfortunately we are not in a position to provide any further updates at this time.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

**Yours sincerely,**

**Gillian Farrelly**
