*\* To ask the Minister for Health when public ADHD services will be available in the Tuam area; and if he will make a statement on the matter\**

Dear Deputy Canny,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position;

The National Clinical programme for the treatment of ADHD in Adults has yet to be extended to Community Healthcare West (CHO2) and I am unable to advise when it may be extended to CHW.

I trust this information is of assistance to you, but should you have any further queries, please contact me.

Yours sincerely,

---
