Dear Deputy Brady,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Questions (PQ 36729/23, PQ 36730/23, PQ 36731/23 and PQ 36732/23) which you submitted to the Minister for Health for response.

Detailed information on the number of HSE staff grades is publically available and can be found at <https://www.hse.ie/eng/staff/resources/our-workforce/workforce-reporting/> and also includes archived reports for previous years. I have attached the most recent copy of this report. For your convenience, I have also included below a link to the workforce reports by Community Health Organisation (CHO).

Please note that therapy staff are not aligned to a county boundary and may work across a CHO. Therefore, they are most accurately reported at a CHO level. Notwithstanding this, I have requested staffing numbers for Wicklow from the individual CHO's 6 & 7 to answer your query and have included their response in the tables below.

Please see below table received from CHO6 outlining the number of adult/child physiotherapists and psychologists in County Wicklow:
