Deputy Brady,
Dáil Éireann,
Leinster House,
Kildare Street,
Dublin 2.

PQ 36734/23 To ask the Minister for Health the number currently on the waiting list for child physiotherapy in CHO 6 and CHO 7, Wicklow, broken down by length of time, in tabular form; and if he will make a statement on the matter.

-John Brady

Dear Deputy Brady,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (36734/23) which you submitted to the Minister for Health for response.

The HSE is committed to delivering efficient high quality services to all eligible service users. In 2022, there were 482,065 patients seen by HSE Physiotherapy services in Primary Care. It is worth noting that COVID-19 has posed significant challenges for many service areas in 2020, 2021 and 2022. The resulting ongoing impact is seen in the increased number of referrals and subsequent waiting lists for Primary Care Services.

Please find the attached appendix, which contains, in tabular form, details of the Physiotherapy waiting list for children in CHO 6 and 7, as at the end of June 2023 which is the latest data available at this time.

Appendix 1 – Physiotherapy Children Waitlist CHO 6 and 7 as at the end of June 2023

I trust this information is of assistance to you.

Yours sincerely,

Seán McArt
General Manager Primary Care
