Re: PQ 27033 23 - St. Christopher's Hospice, Cavan - To ask the Minister for Children; Equality; Disability; Integration and Youth the progress to date in developing new accommodation and services (details supplied); and if he will make a statement on the matter.

Dear Deputy Smith

The Health Service Executive has been requested to reply directly to you in the context of the above enquiry, which you submitted to the Minister for Health for response.

I have examined the matter and the following outlines the position for Community Healthcare Cavan Donegal Leitrim Monaghan Sligo.

The first community based residence is fully complete and occupied by residents from St Christophers.

The second community residence is due to be handed over in the next 6 weeks and should therefore be occupied by the end of August 2023.

The third property for the purposes of respite services is currently undergoing a complete refurbishment with extension and is due to be complete at the end of September 2023.

I trust that this is of assistance, but please do not hesitate to contact me if you require anything further.

Yours sincerely

Mandy Doyle
