PQ 27717 - To ask the Minister for Health if a company (ABM Ireland / Maybin Support Services (Ireland)) has submitted a claim for its employees providing cleaning and support services at University Hospital Waterford, as the employees are unable to get a definitive reply from the em

Dear Deputy Cullinane

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I have followed up with our cleaning contractors and other agencies that provide front line services including security at University Hospital Waterford. I can confirm that these agencies have submitted the details for the eligible staff on the required PSRP Claim form to the company processing on behalf of the HSE. The company, KOSI Corp have received the submissions for the staff referenced in your PQ and we await processing from this company.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,

Ben O' Sullivan
