Deputy Fergus O'Dowd T.D.,  
Dáil Eireann,  
Leinster House,  
Kildare Street,  
Dublin 2.

04<sup>th</sup> July 2023

Dear Deputy O'Dowd,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the following Parliamentary Question, which was submitted to this Department for response.

PQ 29782/23

**To ask the Minister for Health the number of facilities that have closed and ceased operations, by name and location, since the payments were awarded, of the recent TAPS payments of nearly €150 million distributed to nursing homes throughout the country to help manage the response to Covid-19, in tabular form; if any nursing homes voluntarily returned monies to his Department for any reason; and if he will make a statement on the matter.**

Please find attached at **Appendix 1** a list of HIQA registered Private/Voluntary Nursing Homes that ceased being an approved nursing home by discontinuing their pricing agreement with the National Treatment Purchase Fund during the period requested. These nursing homes were previously in receipt of funding on behalf of Nursing Homes Support Scheme approved clients and were eligible to claim allowable funding from TAPS since April 2020.

I can confirm that there is no record of a nursing home voluntarily returning a Temporary Assistance Payment Scheme (TAPS) payment to the HSE.

I hope this clarifies the position

Yours sincerely,

---

**Ultan Hynes**  
**Head of Service – Nursing Homes Support Scheme**
