The backlog has accrued due to the suspension for school screening services during the two year Covid pandemic. To address the backlog in Co Meath, we are running extra clinics in the Drogheda Presbyterian Church, Colpe Drogheda and Scoil Mhuire Navan. The 13 unscreened Senior Infant Schools will be offered appointments at these venues. The remainder of these clinics will be populated with some of the Junior Infant Schools absentees from school screening visit during the current academic school year and repeat hearing screenings. Similar clinics were also ran over Summer 2022 in order to address the backlog. There will still be a high portion of Senior Infants for screening in the upcoming academic year 23/24 along with all new Junior Infants commencing from September 2023.
