Re: REPDR/23/29968: The number of WTE consultant orthopaedic surgeons and orthopaedic registrars working in Roscommon University Hospital in years 2022 and to date in 2023

Dear Deputy Culinane,

I am advised that the HSE has been requested to reply directly to you in relation to the above Parliamentary Question / Public Representation which you submitted to the Minister for Health.

I wish to advise that the number of WTE Consultant Orthopaedic surgeons and orthopaedic registrars working in Roscommon University Hospital in the years of 2022 and to date 2023,

One Consultant Orthopaedic Surgeon attends RUH one session, one clinic per month, and normally one registrar accompanies him. The Consultant Orthopaedic Surgeon's substantive post is in Galway University Hospital.

If you require any further information, please do not hesitate to contact me.

Kind regards,

Claire Conlon
