RE: PQ 29973/23

"To ask the Minister for Health how many dentists in County Mayo are available under the dental treatment services scheme; to outline the dentists in County Mayo, in tabular form; and if he will make a statement on the matter"

Dear Deputy Dillon

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

There are currently 10 dental practices in Co Mayo with DTSS contracts. There are 18 Dentists operating out of these 10 practices. Please note, some dental practices are advising that they are at capacity at the moment and may not be able to take on new patients.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely

Mary Warde
