Dear Deputy Clarke

RE: PQ13095 To ask the Minister for Health the number of times that the HSE has advertised for the post of consultant otolaryngologist since January 2022. -Sorcha Clarke

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, submitted by you to the Minister for Health. This matter has been referred to me for response on behalf of the HSE.

I cannot provide an answer to the below PQ for the entire HSE, I can only comment on the number of times the NRS (in conjunction with the Public Appointments Service) have advertised a Consultant Otolaryngologist post since January 2022.

The NRS have advertised three Consultant Otolaryngologist posts since January 2022.

For context, this Consultant grade is quite uncommon for the NRS to recruit for and is recruited more often by the voluntary hospitals.

If you require any further information, please do not hesitate to contact me.

Yours sincerely

Eileen Winnington
Assistant National Director of HR
