Re: 31097/23

Dear Deputy Clarke,

I refer to the recent representation in relation to the number of operating theatres in use at Regional Hospital Mullingar and I can confirm that there are 3 operating theatres in use at Regional Hospital Mullingar.

Regional Hospital Mullingar have submitted a Capital Project Application to the National Steering Committee for the provision of an additional theatre for RHM. This application is on the National Capital plan, awaiting funding approval.

I trust this information is helpful to you.

Yours sincerely

Kay Slevin
Hospital Manager,
Regional Hospital Mullingar.
