Dáil Éireann

Leinster House

Dublin 2

PQ 31113/23: To ask the Minister for Health the reason the HSE Health Sector Employment Report for April 2023 does not contain the equivalent staff breakdown details for Cork University Hospital, which are provided for the Mercy University Hospital and the South Infirmity University Hospital.

Dear Deputy O'Sullivan,

I refer to your recent parliamentary question in relation to staffing which was forwarded to the Health Services Executive (HSE) by the Department of Health for direct reply.

Staffing information is collated on the basis of service, care group, hospital, hospital group and community healthcare organisation by staff category, staff group and grade group. Unfortunately, due to a formatting error this standard detail for Cork University Hospital was not visible for a short time in the South/ South West Hospital Group published employment report. The most recent report (May 2023) showing this information is available [here](#).

I wish to take this opportunity to apologies to the Deputy for the inconvenience caused.

Yours sincerely,
