Dear Deputy Griffin,

PQ Question: To ask the Minister for Health if hospital management at UHK has commenced exit interviews of medical staff resigning from positions at UHK; and if he will make a statement on the matter. -Brendan Griffin

UHK Management in conjunction HSE Estates are currently in the process of developing a Development Control plan for UHK to enhance clinical services for the people of Kerry, which will require a significant amount of greenfield areas to be utilised for same.

I trust this response is to your satisfaction; should you have any further queries however, please do not hesitate to contact me.

Yours sincerely,

Mary Fitzgerald
General Manager
University Hospital Kerry
