Dear Deputy Griffin,

PQ Question: To ask the Minister for Health if hospital management at UHK has commenced exit interviews of medical staff resigning from positions at UHK; and if he will make a statement on the matter. -Brendan Griffin

UHK has an exit policy in place for all staff; however, the uptake of same by staff is very low. NCHDs are periodically surveyed during their rotation, which provides an opportunity for the NCHDs to provide feedback on their experience of working in UHK.

I trust this response is to your satisfaction; should you have any further queries however, please do not hesitate to contact me.

Yours sincerely,

Mary Fitzgerald
General Manager
University Hospital Kerry
