Dear Deputy Shortall,

The Health Service Executive has been requested to reply directly to your above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position:

The attached tables list the names and locations of each HSE-funded Section 39 NGO providing residential addiction treatment by Community Healthcare Organisation Area. The tables detail the number of beds available in each service and the amount of funding received in 2021 and 2022 as identified by CHO areas.

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours sincerely,

---

Prof Eamon Keenan
