12th July 2023

PQ 31849/23* To ask the Minister for Health the health infrastructure projects currently underway in CHO6; the projects completed since June 2020, in tabular form; and if he will make a statement on the matter. -Jim O'Callaghan

Dear Deputy O'Callaghan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Details of the health infrastructure projects underway in each Community Healthcare Organisation (CHO) are available in the HSE's Capital Plan 2023, available at:
<https://www.hse.ie/eng/services/publications/capital-plan-2023.pdf>

In particular, the appendices provide details of individual projects:

- Appendix 1: Projects at Tender Stage and Contractually Committed in 2023
- Appendix 2: New Projects and Projects to Progress Through Design
- Appendix 3: Climate Action Plan - Pilot "Pathfinder" Projects
- Appendix 4: Projects to Complete in 2023
- Appendix 5: Primary Care Centres to complete in 2023

Major capital projects completed in CHO 6 since 2020 are listed on the attached table, including the year of completion. Completion should be interpreted as delivery of a capital asset or equivalent. In addition to these major capital projects, minor capital projects would be completed via the various minor capital programmes such as, Infrastructural Risk, Fire Safety, Climate Action, Infection Prevention & Control.

Yours sincerely,

Paul de Freine
National Director
Capital & Estates
