Re: PQ 10507/23 “To ask the Minister for Health if he will commission a full independent review of service provision by a provider (details supplied) since publication of the Assurance Review; and if he will make a statement on the matter”.

Detail: Sunbeam House Services

Dear Deputy Shortall,

Thank you for your recent correspondence. The Health Service Executive has been requested to reply to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the current position.

Sunbeam House Services (SHS) is a section 38 agency funded by HSE Community Healthcare East, Disability Services, to provide services, such as Day, Respite and Residential Care to persons with an intellectual disability on behalf of HSE, subject to the terms and conditions of the contractual legal binding Service Level Arrangement (SLA).

The HSE will manage this contractual agreement under the relevant clauses if they are of the opinion that there are potential non-compliances.

I trust that this information is of assistance to you.

Yours sincerely,

Patricia McEvoy
Head of Service, Disability Services
