- 1 Integrated Care Consultant has been appointed in a temporary capacity to support progress with the new Enhanced Community Care (ECC) plan and to progress implementation of the integrated model of care. This is a 50:50 shared post between UHW and Community services.
- 2 Diabetic Nurses (CNM2) Paediatric Service
- 1 Clinical Nurse Specialist (CNS) Adult Service
- 1 Diabetes Midwife Specialist (CMS).
- 1 CNS (CNM2) Integrated Care Programme (Sláintecare). This is a 50:50 shared post between UHW and Community services.
- 1 Senior Dietician Paediatric Diabetes (0.8 WTE). Additionally 1 Consultant Paediatrician has a special interest in Diabetes and supports the service.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.
