Dear Deputy Donnelly

I refer to your recent PQ which has been forwarded to me for attention.

**PQ 11197/23: To ask the Minister for Health the number of WTE radiographers attached to both CHI Temple Street and CHI Crumlin in 2021,2022 and to-date in 2023, in tabular form.**

**Childrens Health Ireland (CHI) Response:**

Please find set out here-under the information that you require.

**Whole Time Equivalent (WTE) Radiographers attached to both CHI at Temple Street and CHI at Crumlin:**

Year	CHI at Crumlin	CHI at Temple Street
2021	31.61 WTE	21.46 WTE
2022	37.05 WTE	28.3 WTE
2023	35.1 WTE	29.47 WTE

Notes on above data:

- As a reference point, data is provided for January of each year as the number of radiographers in post will vary from month to month
- These are the WTE numbers in post at that time. The number of funded positions in 2023 is 94.46WTE radiographers, with rolling recruitment campaigns taking place due to the challenges nationally in radiographer recruitment
- There have been a number of investments in this area in recent years with expansion of MRI and Paediatric Interventional Radiology services

Yours sincerely
