To ask the Minister for Health if Borris, County Carlow will get a Primary Care Centre; and if he will make a statement on the matter.

Dear Deputy Murnane O'Connor

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which was submitted to the Minister for Health for response.

I have reviewed the matter and the following outlines the current position.

HSE Estates can confirm that Borris specifically has not been selected for a proposed new Primary Care Centre; however, the neighbouring town of Graiguenamangh has been.

A capital submission for a proposed primary care centre in Graiguenamanagh was approved by the HSE Board in Q4 2022. Subsequently, the Letter of Intent for the Primary Care Centre development was issued to the developer within Q4 2022. Currently the HSE are working with the developer on legal requirements which will allow the project to proceed to the next stage.

I trust this information is of assistance to you. Should you have any further queries please do not hesitate to contact me.

Yours sincerely,
