PQ 11946 - To ask the Minister for Health if he could please confirm in tabular form the number of Adult Patients attending University Hospital Waterford for Type 1 Diabetes Care in 2018, 2019, 2020, 2021 and 2022.

Dear Deputy Shanahan

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I wish to advise that approximately 300 adult patients are currently attending University Hospital Waterford for Type 1 Diabetes Care. Unfortunately further data breakdown is not available at this time.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,

Grace Rothwell
