PQ 11949 - To ask the Minister for Health the number of patients with type 1 diabetes who have attended DAFNE carb counting and insulin adjustments in University Hospital Waterford since it began in 2021 and 2022

Dear Deputy Shanahan

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can confirm that 41 patients have completed DAFNE carb counting at University Hospital Waterford up to June 2022.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,

Grace Rothwell
