Re: 12134/23 To ask the Minister for Health when all pensioners in the Mid-West region who worked in the health services will receive the public pay increases due; and if he will make a statement on the matter.

Dear Minister/Deputy Carey

I refer to your recent representation regarding the above named and I wish to advise you of the following.

We are currently working on the Pay Awards due to Retirees pre 2010 for the Mid-West area. Payroll Mid-West are currently working on the 1st and 2nd February 2022 Pay Awards for pre 2010 Mid-West Retirees and hope to have them paid out in their April 2023 Salary. The October 2022 pay award will be implemented in due course once validated and applied to the system.

I trust this answers your query and if you have any further questions, please do not hesitate to contact me.

Yours Sincerely,

Marian Quinn
Payroll Manager.
