**PQ 12256 - To ask the Minister for Health the number of adults patients and paediatric patients attending University Hospital Waterford for type 1 diabetes care and for type 2 diabetes care, for each of the past five years**

Dear Deputy O' Cathasaigh,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can advise as follows:

<b>Number of paediatric patients attending University Hospital Waterford for type 1/2 diabetes</b>					
<b>Year</b>	<b>2018</b>	<b>2019</b>	<b>2020</b>	<b>2021</b>	<b>2022</b>
<b>Number of patients Type 1</b>	98	107	112	120	125
<b>Number of patients Type 2</b>	1	1	1	1	0

Approximately 300 adult patients attend University Hospital Waterford for Type 1 Diabetes care. Unfortunately further data breakdown is not available at this time.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,

**Grace Rothwell**
