**Re: Parliamentary Question 12576/23** *“To ask the Minister for Health the total number of patients and family members that availed of the €4 flat fee parking rate in car parks at Our Lady of Lourdes Hospital, Drogheda in 2019, 2020, 2021 and 2022; and if he will make a statement on the matter.”*

Dear Deputy Munster,

The RCSI Hospital Group has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

The current process regarding reduced car park rates in Our Lady of Lourdes Hospital, Drogheda is successful in providing discretionary arrangements to persons who meet the criteria. The Hospital does not create a record detailing the number of patient and family members that avail of reduced car park rates.

We trust this information is of assistance to you.

Yours sincerely,

---
