Details supplied: The Minister will be aware of an existing service level agreement with UPMC Waterford to provide cardiac angiogram diagnostics on site at the UPMC

Dear Deputy Shanahan

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I wish to advise that a date has not yet been confirmed for the termination of SLA agreement with UPMC Whitfield to provide cardiac angiogram diagnostics. The provision of diagnostics will continue at UPMC Whitfield for the time being. .

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,

Grace Rothwell
