Dáil Éireann

PQ ref 12734/23

“To ask the Minister for Health the number of residents and the number of staff of St. Stephen's Hospital, Glanmire who contracted Covid in January 2021; the exact dates these positive Covid tests were reported to the HSE; and if he will make a statement on the matter.”

Dear Deputy Hourigan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

There was one outbreak notified which included two linked cases and there were no further cases identified relating to the outbreak. The outbreak at the time was managed in line with national and international guidelines. For patient and staff confidentiality it is not possible to provide a breakdown of cases.

Yours sincerely,
