Dear Deputy Daly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I understand that a proposed private residential development, to provide services for older people in Milltown, is currently at planning stage but I do not have any further information on this private proposal at this time.

I regret that I cannot be of more assistance but if you wish to enlarge further on your query, please do not hesitate to contact me.

I trust this clarifies the position.

Yours sincerely,

-----  
Jackie Daly  
Head of Service for Older People
