Re: PQ 13351/23

Dear Deputy O'Rourke,

I refer to the recent representation made on behalf of the above patient who is seeking information regarding their treatment plan in the RVEEH, which has been referred for direct response.

I have had this matter examined and am advised that all Consultant Ophthalmologists in the RVEEH are able to perform extracapsular cataract procedures. The RVEEH has 18 Consultant Ophthalmologists – 15.80 wte.

I trust this information is helpful to you.

Yours sincerely

Donal Brosnahan
Accountable Officer and Clinical Director
