Re: PQ 13356/23 - "To ask the Minister for Health the number of Safe Talk Programmes that were delivered in County Meath in 2022 and to-date in 2023, in tabular form" – Darren O'Rourke

Dear Deputy O'Rourke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows:

The below table outlines the number of SafeTALKs delivered in Meath in 2022 and 2023

2022	2023
8	4

Training will continue to be scheduled on an ongoing basis in Louth and Meath over the course of the year.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Des O'Flynn
Chief Officer
