Re: PQ 13763/23 - To ask the Minister for Health the reason an architect's report on a facility (details supplied) in County Laois was shared recently with a local newspaper, almost five months after it was sent to the HSE; and if he will make a statement on the matter – Neasa Hourigan

Dear Deputy Hourigan

The Health Service Executive has been requested to respond in respect of your recent Parliamentary Question as outlined below:

I can confirm that the HSE did not share the architect's report on Erkina House to a local newspaper or any other media outlet.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Des O'Flynn
