13th April, 2023

PQ 15111/23 To ask the Minister for Health if it the responsibility of staff of a nursing home to provide a third party (details supplied) with copies of their payslips to facilitate the pandemic bonus payment or if this function should be carried out by their employer; and if he will make a statement on the matter. -Matt Carthy

Details supplied: KOSI Corporation Limited

Dear Deputy,

I refer to your recent Parliamentary Question which was sent to the HSE for response.

KOSI was engaged by the HSE as the Scheme Administrator on 20th October 2022.

The HSE has identified a list of potential employers of front-line workers who may be eligible for the Pandemic Special Recognition Payment (PSRP) in the following cohorts:

- (1) Private Sector long-term residential care facilities for older people (nursing homes) and hospices, whether they be Private, Voluntary, Section 39;
- (2) Eligible staff working on-site in Section 39 long-term residential care facilities for people with disabilities;
- (3) Agency/contract staff who worked in clinical settings for the HSE or within Cohorts 1, 2 and 4 (e.g. an nurse, doctor, cleaner, paramedic);
- (4) Health Care Support Assistants (also known as home help / home care / home support) contracted to the HSE.

Payments have commenced to the employers who submitted applications that have passed the verification process. The HSE are not dealing with individual employee queries, instead employees are asked to link with their employers in the first instance with regard to their eligibility.

Employers can be directed to the dedicated email address psrp@kosicorp.com and dedicated helpline 01 9601700 where members of the KOSI team will assist with any queries employers have in relation to current or past employees. It is important to note that KOSI only deal directly with employers with the exception of an employee whose employer is no longer trading and current employer not in scope.

I trust this clarifies and is of some assistance.

Yours sincerely,

Marie O'Sullivan
