PQ_21216/23*To ask the Minister for Health the date that capital funding committed to renovations of Milfield House and the construction of independent living pods nearby was applied for by local HSE management; the date that this capital funding was approved by national HSE management; and if he will make a statement on the matter. -Neasa Hourigan

Dear Deputy Hourigan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

HSE Capital and Estates were tasked with the renovation of the Millfield House facility and the installation of the four independent living pods in October 2022 by Community Healthcare Organisation 4 management.

The necessary funds to progress this project were approved in January 2023.

Yours sincerely,

Paul de Freine
National Director
Capital & Estates
