RE: PQ 22046/23

"To ask the Minister for Health if a new primary care centre has been approved for Oranmore, County Galway; if so, when work will commence on this new primary care centre; and if he will make a statement on the matter"

Dear Deputy Grealish

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Yes, a new centre was approved for Oranmore and planning permission was granted. Due to rising costs however the developer is negotiating increased rental rates and these discussions remain ongoing.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely
