Dear Deputy Ryan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary question, which you submitted to the Minister for Health for response.

I attach for your information the data requested, by Hospital outlined, for the periods 2019-2023. Please note, with regard to waiting times in ED (Patient Experience Times/PETs), these are currently reported as 0-6 hours, 0-9 hours, > 24 hours. I have supplied same in the attachment for all patients and for patients greater than 75 years.

I trust this is of assistance to you.

Yours sincerely,
