Deputy Éamon Ó Cuív,  
Dáil Eireann,  
Leinster House,  
Kildare Street,  
Dublin 2.

Dear Deputy Ó Cuív

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the following Parliamentary Question, which was submitted to this Department for response.

**PQ 22525/23**

**To ask the Minister for Health the rate of payment made to private nursing homes, under the nursing home subvention scheme (fair deal), broken down by health region, in tabular form; the reason for the disparity in payments in each region, if any; and if he will make a statement on the matter.**

Please see rate of payment made to private nursing homes under Appendix 1. These rates are published on the following link [https://assets.hse.ie/media/documents/HSE\\_Section\\_40\\_List\\_189\\_Published.pdf](https://assets.hse.ie/media/documents/HSE_Section_40_List_189_Published.pdf)

The National Treatment Purchase Fund Board (NTPF) is appointed under the Nursing Homes Support Scheme Act 2009 and has a specific remit within the scheme which is to make arrangements with a person it considers appropriate being a proprietor of a nursing home, relating to the price at which long term residential care services will be provided by such person to persons requiring such services and who are in receipt of financial support under the Nursing Homes Support Scheme Act 2009. NTPF engages with private and voluntary nursing homes on behalf of the State and as part of this function, the NTPF will enter into pricing agreements with the registered nursing homes. The NTPF in turn will provide the HSE with the details of agreed pricing agreements to be included in the scheme.

Yours sincerely,

A handwritten signature in blue ink that reads "Patricia Whelehan".
